ALUMNI NEWS

SPRING 2017

Note from the President

by Chris Haines

In June, I will once again have the honor of presenting the Alumni Foundation scholarships at Class Night – on behalf of you and all the AHS alumni and friends who have supported the Foundation. Your 42 scholarships for 2017 graduates will total more than \$75,000, up from \$20,000 just 4 years ago!

We have several new scholarships for 2017:

Brandon Bruski Memorial Scholarship – Our first art scholarship! And now permanently funded through gifts from family and friends.

The Ralph & Pearl Poelma Good Neighbor/Community Service Scholarship – The Poelma family has set up this memorial scholarship for community service through a combination of permanent and annual funding.

The D'Andrea Family Scholarship – Set up through a bequest, this scholarship emphasizes personal integrity as well as academic achievement and community service.

The Inge Hume Elementary Education Scholarship – This annually funded scholarship will help a graduate pursuing a degree in Elementary Education.

The Jake and Anna Vreeburg Scholarships – The family has set up two scholarships for students who show a strong passion for their chosen field of study. One is a traditional collage scholarship and the other is for a trade or vocational school.

Robert VanDeusen Memorial Scholarship – In memory of Primary School Principal Bob VanDeusen, this scholarship will go to a senior pursuing a career working with young children.

The Moore Family Scholarship Fund – This scholarship has been set up by Ann R. Moore '65 and Robert H. Moore '72 to encourage students to seek higher education.

We've also made great strides in our focus areas:

- **Improved visibility** – headed by Marissa Olles and Sue Starkweather Miller and with a large number of volunteers, we've been able to be present at more school functions and class reunions. Kim Pritt has done fantastic work with our website (www.albionalumni.org) and on our Facebook page. And our newsletter gets better every year!
- **Scholarship administration** – under the direction of Kevin Allen, our scholarship team has improved all aspects of our scholarship program. Most importantly, we continue to improve communication – with our recipients, donors, and the High School.
- **Investment Management** – Steve Hicks directs our investment committee. We now have our investments professionally managed by Mark Paganelli at RFG Associates.
- **Leadership** – Charlie Nesbitt oversees our relationships with major donors and connections with the Albion community.

Thank you for continued generosity in making the Alumni Foundation a unique asset for our community!

Best regards,

Board of Directors

President : Christopher Haines, 1977 • Vice President: Susan Starkweather Miller, 1981

Secretary: Marissa (Minier) Olles, 2000 • Treasurer: Edward Fancher, 1983

Charles Nesbitt, 1965 • Marsha (Bolton) Rivers, 1992

Jean (Forder) Shervin, 1952 • Kim (Wright) Pritt, 1974

Kevin Allen, 2004 • Stephen Hicks, 2003

Congratulations to the following students who were selected as our scholarship recipients in 2016:

2016 Alumni Foundation Scholarship Winners

L-R: Kyle Thaine, Daniel Beam,
McKayla Hastings, Mikayla Yaskulski.

- **Albion High School Alumni Foundation Scholarships (\$1,500 each):** This year's recipients are Daniel Beam, McKayla Hastings, Kyle Thaine, and Mikayla Yaskulski.
- **Paul R. Haines Memorial Scholarship (\$1,500):** This year's recipient is Meredith Patterson.
- **Smith Foundation Challenge (\$1,000):** These scholarships are awarded annually by the Foundation to students entering the second year of college. This year's recipients are Charlyne Olick and Brittany Francis.
- **Saint-Gobain Technical Fabrics Scholarship (\$1,000):** This year's recipient is Randal Eblacker.
- **Elizabeth Balcom Smith Scholarship (\$500):** This year's recipient is Matthew DeCarlo.
- **Golden Performance Award (\$500):** This year's recipient is Elijah VanEpps.
- **Jim and Susie Fraser Health Careers Scholarship (\$500):** This year's recipient is Kassidy Hastings.

- **Dr. Lee Minier Science Scholarship (\$500):** This year's recipient is Miranda Allen.
- **Albion Alumni Foundation Performing Arts Scholarship (\$1,000):** This year's recipient is Zachary Shaffer.
- **Coach Richard Diminuco Scholarship for Athletic Excellence (\$1,500):** This year's recipient is Kyle Smith.
- **Harry W. Salchak Science Scholarship (\$2,500):** This year's recipient is Miranda Allen.
- **A.B. "Dick" Eddy "Service Above Self" Scholarship (\$1,250):** This year's recipient is Elizabeth Goff.
- **The Nancy Elaine LaGamba Scholarship (\$1,000):** This year's recipient is Bethany Bowman.
- **The Dr. Paul Mahany Family Scholarships (\$2,500 each):** This year's recipients are Cheyenna Eagle, Meghan Hurley, Chlow Weis, Raven White.
- **Hoag Scholarships (\$10,000 each):** This year's recipient for the Engineering Scholarship is Matthew Flanagan. The Chemical Engineering Scholarship was not awarded this year.

Adam Burlison presents the Wayne A. Burlison Memorial Scholarship to Zachary Shaffer, along with his mother, Lisa Burlison. This scholarship honors Adam's father, Wayne Burlison.

Madeline Gibbs receives her award and a hug from Mrs. Karen Sodoma, retired Albion teacher and wife of Ronald Sodoma, retired Superintendant of Albion Central Schools. The Ronald L. Sodoma Memorial Scholarship is one of four scholarships added to the Foundation's Scholarship Program in 2016 and honors Sodoma, who passed away in April 2015.

- **Panek Family Farm Agriculture Scholarship (\$1,000):** This year's recipient is Sarah Kuehne.

- **The Rex and Marilyn Horton Scholarship (\$500):** This year's recipient is Allyson Irwin.
- **The Wayne A. Burlison Memorial Scholarship (\$500 each):** This year's recipients are Meredith Patterson and Zachary Shaffer.
- **Glassner Family Scholarship (\$1,400):** This year's recipient is Sarah Graham.
- **John Panek Scholarship (\$2,000):** This year's recipient is Kelsee Soule.

The next four scholarships were new to the Foundation's Scholarship Program in 2016.

- **Ronald L. Sodoma Memorial Scholarship (\$1,500):** This year's recipient is Madeline Gibbs.
- **Masonic Renovation Lodge # 97 Scholarship (\$750):** This year's recipient is Jason Downs.
- **Edward B. Archbald Memorial Scholarship (\$1,250):** This year's recipient is Kyle Smith.
- **David R. Long Agricultural Scholarship (\$2,500):** This year's recipient is Kelsee Soule.

Eagle in the Spotlight

Adam Krenning, AHS Alumni and AHS Teacher, Advisor, and Coach

Photos and article courtesy Kim Wright Pritt and Marissa Olles

Adam graduated from Albion HS with the Class of 1993. He went on to college to study agriculture at Ohio State and later finished up his formal education at Buffalo State and Empire State for Ag Education to earn his teaching credentials. After college, Adam returned home to the family hog and peach farm in Knowlesville, where he worked for the next seven years. After the farm went through a brutal year, financially, Adam switched careers and started his current teaching position. This will mark Adam's seventeenth year at Albion High School, where he is the Agriculture teacher, FFA advisor, football coach, and Technical Club advisor.

Adam and his wife, Betsy, currently live in Albion just about 100 yards from his childhood home and family farm. They have four children: Seth (10), Olivia (12), and Kyle (19), and Krsiten (son-in-law, Matt, and grandson, Sean). While spare time is a premium for ultra-busy Adam, he does make time to go camping with his family. They recently purchased a camper and have been enjoying it immensely.

THE INTERVIEW:

What are your best memories from your time as a student at AHS?

I have to say it was my senior year! All of it! Playing football – I played tight end and defensive end – and being with all my friends.

Who or what influenced you or mentored you in your decision to become a teacher?

As far as teachers go, I'd say that Dick Contant influenced me in the business courses I took. Dick Diminoud, of course, through football. And, Sue DePalma helped me a lot during school and beyond.

But, what really motivated me to become a teacher? I love farming, but we went through a really bad patch on our family farm and I wanted to help kids see that farming isn't that bad. Farming can be fun and a great way to bring up a family. I was lucky that Ron Sodoma took a chance and hired me to teach Agriculture and advise the FFA group. So, here I am many years later helping our students understand that Ag Ed and FFA isn't just milking cows and harvesting crops – it is so much more and has so much to offer if they just open their minds to the possibilities. And, I love it! I often joke that if I won the Lotto, I wouldn't quit my job! I love what I do – I get up every day and ask "what's next?"

Let's talk about the Ag / FFA program at AHS.

The biggest credit for the program's success and growth goes to my students – all of them! They are enthusiastic and work hard to get all they can out of it – there wouldn't be an Ag Ed program without them and it is great because of them. I also owe a lot of thanks and appreciation to our great local farmers and agriculture businesses – they want to see the program succeed and are always there to help in one way or another. Most of the time, I don't even have to ask for what we may need – they contact me and say "what do you need?" and, for example, if I say I'd like 1000 pounds of onions for the annual food drive, they come in with 1500 pounds and more. And, if they can't give in that way, they give their time, which is just as valuable to us.

When I started here in 2000, we had about 7 kids in Agriculture Education and less than 30 in FFA. Today, we have 120+ in Ag Ed and over 80 in FFA. We've had several from our program go on to serve in NYS FFA leadership positions, including our recent NYS FFA President, Sara Millsbaugh, among others. Sara represents a growing trend of females joining the program – currently, the percentage of female students in the program is higher than male students. Women weren't allowed in FFA until 1969 and it took a while for their participation to catch on, but now NYS FFA can boast that it had its first ever all female officer team at the state level, that's an impressive message about females in FFA.

Are Ag Ed and FFA two separate programs?

No! This is one of the hardest things to get people to understand! Ag Ed/FFA is intra-curricular – they go hand in hand – together they complete the whole experience and education.

Agriculture Education and FFA is not just traditional farming, anymore. We teach Vet Science, Ag Science, Leadership, Mechanical Science, and even Landscaping. We build leadership qualities that can be used in many different careers. We prepare our students for college and life and we have fun doing it. Our students learn hands-on experiences through our land lab and another 60 acres that the Panek Family Farm rents from us, as well as other activities and competitions throughout the year. And, it is a year round program – we don't leave at the end of the school year and don't come back until the new school year starts in the fall – many of our activities and studies occur in the summer months. We also teach our students to give back as much as possible – to not just think of giving back financially, but mostly to give of their time. I preach to the kids that if you are fortunate that you should always give back to the community that you reside in – that is our premise of our annual food drive. We started the food drive eight years ago, and it started from a total of 3,500 pounds of food to this year we were at 33,000 pounds of food. We live in a great community of very generous farmers and businesses that help make this possible.

A lot of kids are skeptical about what they can get out of the program – I was one of them! In school, other than an Ag Science course I took to get my science credit, I never stepped foot in the Ag class rooms and didn't join FFA, even though my family had a farm and my plans were to work on that farm after school. But, I tell those kids to just try it – if they don't find something they like and can relate to, then leave, but if they find at least one thing to like about it, they should stay and discover more. And, most do! Many kids have left the ACS in the last 17 years and have been extremely successful because of the agricultural program. So many things can be taught through agriculture as it is the foundation of our county. I tell the kids regularly everything we do is surrounded by agriculture – there is not much we can do in life without agriculture.

I'm proud to say that the Ag Ed / FFA program won "Program of the Year" for New York State in 2014. It was a hard application to write up because there was so much to tell about the program, what we do, and what we've accomplished. They recognized our work by awarding us with this honor. And last year was a huge honor for me. I received the Agriculture Educator of the Year for NYS Agriculture Educators. I get up every day and come to a job I love. I love teaching kids about agriculture and helping kids be successful.

What is the Land Lab and how did it begin?

The FFA Land Lab is a five acre parcel of land that the Albion Central School District owns and set aside for FFA use. The land was originally used to plant corn. We added apple trees to a portion of the land. Nesbitt Fruit Farms donated 560 apple trees and Kast Farms donated the posts and helped install them to ensure the trees grow straight. Students, with the help of some of our local farmers, planted the trees. Kast Farms also donated a Kubota RTV so the students can easily get to, from and around this and our other parcel of farm land to do their studies. The students not only plant and harvest various crops on the Land Lab, they also study the crops and perform tests to learn the science behind farming. We grow squash in our land lab. We have 3rd-graders plant the seeds, then when they come back as 4th-graders we harvest the squash and have Community Action here while the kids harvest, as all the squash is donated to Community Action.

Another 60+ acres, also owned by ACS, adjacent to the Land Lab is rented by the Panek Family Farm. They rent the land and provide the seeds/plants, equipment, and manpower, in addition to the work of the FFA students, to farm the land. They, then, donate the proceeds after their expenses back to the Albion FFA and Ag Ed program. The money is mostly used for scholarships.

The Land Lab and the land that the Panek Family rents from us have made the program what it is today – the generosity of so many of our local farmers in making all this possible is overwhelming – we couldn't do it without their support.

Go to www.OrleansHub.com and search "FFA Land Lab" and "Albion FFA" for more details and photos of various accomplishments, events, and activities associated with the Albion FFA program.

Tell us what's new in the Ag program!

We started a new class this year called "Field to Table." In a nutshell, kids in Ag Science grow the plants, transplant them in Land Lab, kids take care of them over the summer, then Field to Table class harvests the food. With the food harvested, the kids determine the nutritional value of food, and then we freeze, cook, can, preserve the food and develop delicious recipes with all the fresh food.

What advice or words of wisdom do you have for our students and recent graduates?

Live life to the fullest – 100%! Take advantage of everything that comes in front of you. Do what you like! Do what you love! And, love what you do! If you're not happy, change! Also, give back as much as possible – if not money, then time, but give back!

REUNIONS

Reconnect with classmates and friends both old and new!

CLASS OF 1947

Please join the class of 1947 for the 70th class reunion! The group will meet Sat., Aug. 12 at the Village Inn in Albion. More details, including the event times, will follow as the date approaches. Can you attend? Do you have contact information for any of your fellow classmates? If so, please contact Janice Mann Murray Beech by calling 585-283-4046 or emailing jmbeech@rochester.rr.com. We hope for a great turnout this year! Congratulations, class of 1947!

CLASS OF 1967

Another milestone reunion this year – the class of 1967 is celebrating their 50th! Please join the group Sept. 15-16, 2017. FRIDAY, SEPTEMBER 15: Meet at St. Mary's Athletic Club, 538 Moore St., Albion, at 7 p.m. for drinks and conversation! SATURDAY, SEPTEMBER 16: Meet at the Quality Inn in Batavia from 5-11 p.m. More details will follow as the event draws near, so please continue to check the site. Make sure the planning committee has your most up-to-date contact information! You can reach Karen St. John Sawicz at 585-329-1198 or karen.sawicz@gmail.com, or Nancy Snyder Mack at 585-409-3342. Congratulations on 50 years, class of 1967!

CLASS OF 1972

Please join the class of 1972 for the 45th class reunion! The group will meet Sat., July 22 at the Hickory Ridge Club House, 15853 Lynch Rd., Holley, NY 14470. More details, including the event times, will follow as the date approaches. Can you attend? Do you have contact information for any of your fellow classmates? If so, please contact Ann Germeo Tower. Enjoy your reunion, class of 1972!

CLASS OF 1977

Please join the class of 1977 for the 40th class reunion! The group will meet Sat., July 29 from 5-11 p.m. at the Elks Club in Albion. More details will follow as the date approaches. Can you attend? Do you have contact information for any of your fellow classmates? If so, please contact Mary Neidert at maryfn@rochester.rr.com. Congratulations, class of 1977!

CLASS OF 1992

The Class of 1992 will have Brunch on the Beach: Sun, July 9, 11am –3pm at Hamlin Beach State Park, Pavilion #2. Pack a picnic and join us! Come solo or bring the whole fam. Suggested donation of \$5 per person (\$20 max per family) to cover pavilion rental, light refreshments, and non-alcoholic beverages. BYOB. Park entry/parking \$7 per vehicle. Rev. Marsha (Bolton) Rivers will lead Ecumenical Christian Worship at 10 am, prior to the reunion. Other faith groups also welcome to gather (let us know and we'll add to schedule). Class Photo at noon. Family Kickball Game at 2 pm. Contact Marsha (boltonrivers@gmail.com) for more info, or find us on Facebook: Albion HS 25th Reunion.

Alumni Apparel!

You can buy fully customizable Alumni gear online! A portion of the sales go directly to the Foundation. *Psst...* it's not just for Albion grads either! You can shop through our page for any other school you like.

Here's how to shop: from the home page of our website click on the MyLocker link located in our righthand sidebar.

Scholarship News

Annual Donor/Recipient Thank-You Reception

L-R: Laurie Soule, Kelsee Soule, and John Long.

On Tue., Aug. 2, 2016, the Albion HS Alumni Foundation held its second annual event to honor our scholarship donors and recipients. This year, the event was held at the home of Charlie and Kim Nesbitt. Four scholarships were selected to be honored and three of the students who received them and their families were able to attend. This annual event provides a unique opportunity for the donors, recipients, and members of the Foundation's Board of Directors to have one-on-one time meeting and talking to each other in a casual setting that fosters discussion, appreciation, and sharing of ideas and advice, as well as a chance to thank donors for their continued support and confidence in the Foundation's efforts to bring valuable scholarships to the students of Albion High School.

This year's honored guests and the scholarships they represented were:

David R. Long Agricultural Scholarship: This scholarship was established in 2016 by the Long and Pritchard families to honor the late David Long. Mr. Long, who graduated with the Albion High School class of 1961, had a distinguished career in promoting the field of agriculture. The scholarship is awarded to an active member of the FFA who is pursuing higher education in agriculture or a related field. John and Loretta Long attended, representing the Long family. Thank you to the Long and Pritchard families for their generous support of the AHS Alumni Foundation's scholarship program.

Kelsee Soule: Kelsee, the daughter of Jim and Laurie Soule, is the 2016 recipient of the David R. Long Agricultural Scholarship. Kelsee also received the John Panek Memorial

Scholarship, this year. She is attending Morrisville State College for agriculture. She interned in her fall semester of high school with Panek Farms and in the spring with Poverty Hill Farms. Kelsee was VP of the FFA and captain of the varsity volleyball and softball teams. She will play softball at Morrisville.

Glassner Family Scholarship: This scholarship was established in 2015 by the family of the late Jake and Dorothy (Dottie) Glassner to honor their parents who gave and in return received so much from the Albion community. Besides raising eight children in Albion, their tireless efforts in local government, community and social services and service clubs were instrumental in making Albion a great place to live, work and play. Thank you to the Glassner family for the donations that make this scholarship possible.

Sarah Graham: Sarah, daughter of Kevin Graham and Staci Graham, is the 2016 recipient of the Glassner Family Scholarship. Sarah is attending Daeman College in the fall, aspiring to be a physician's assistant. She was an intern for a semester working at Orleans Community Health with physician assistants. She was VP of the senior class, captain of the swim team, and involved in band and chorus.

A.B. "Dick" Eddy "Service Above Self" Scholarship: This scholarship is awarded in memory of Dick Eddy, a community leader, businessman, and Rotarian, who committed his life to the principle of Service above Self. Established in 2012 by the Rotary Club of Albion, this scholarship is awarded to a senior who has demonstrated a personal commitment to

Sarah Graham and Foundation president Chris Haines.

community service and leadership, and displays high potential for future accomplishment. Several members of the Albion Rotary Club, as well as Kim Remley and Anne Beaty (daughters of Dick Eddy) attended to represent this scholarship. This year's recipient of this scholarship was Elizabeth Goff, who was unable to attend. Thank you to Albion Rotarians and the Eddy family for your contributions to this scholarship.

Edward B. Archibald Memorial Scholarship: This scholarship has been established by the Rotary Club of Albion in memory of Ed Archibald, a farmer, philanthropist, outdoorsman, and 70-year member of Rotary. It is presented to a graduating senior pursuing a college education who shares Ed's love for sports, recreational activities, community service, and work experience. Members of the Albion Rotary Club also represented this scholarship, one of two scholarships available to AHS students as a result of the partnership between Albion Rotary and the AHS Alumni Foundation. Thank you to Albion Rotarians, the Archibald family, and all who contributed to make this scholarship possible.

Kyle Smith: Kyle, the son of Adam and Betsy Krenning, is the 2016 recipient of the Edward B. Archibald Memorial Scholarship. Kyle is attending Ithaca College for business and marketing. He interned with the Orleans Economic Development Agency. He will play football at Ithaca. He was active in FFA and sports and was the captain and quarterback for the Albion Purple Eagles football team, receiving the Section VI sportsmanship award for football. Kyle also received the Coach Richard Diminuco Scholarship for Athletic Excellence. ■

L-R: Anne (Eddy) Beaty, Kyle Smith, and Kim (Eddy) Remley.

A Legacy Gift

Consider the foundation in your will or bequest.

Leaving a gift to the AHS Alumni Foundation in your will is unique; it is as though you are leaving a part of yourself to our care. That gift you leave will help us plan and fund projects for those students we support now and in the future. Please note that we also accept stock shares as gifts.

We understand that deciding to leave a gift in your will is a very personal and private matter and, for that reason, we ensure you that we will act in the strictest of confidence.

Email chris@albionumni.org for further information.
